P7	Responsible Public Policy Advocacy	100%	COMPLETE
P8	Inclusive Growth & Equitable Development	15%	MISSING

OVERALL GREEN SCORE COMPLIANCE BENCHMARK

81 / 100 (EXEMPLARY)

Total Statutory Gaps Identified: 4

Applicable Principles Analyzed: 7

STATUTORY AUDIT & SYSTEM NOTICE:

This report is an internal automated compliance artifact generated by GreenPulse AI. It has not been externally audited or assured by a third-party certifying body. Scope 1 emissions are explicitly marked as unavailable due to absence of direct fuel ingestion. Intended strictly for internal corporate governance, ESG benchmark tracking, and statutory preparation.
